DIRECTIONS FOR SUBMITTING THE FORM

Submit forms via e-mail to SAME National Post Operations Specialist, Stacy Smith, at ssmith@same.org. Please name your application in the following format: **StudentChapterName_DistinguishedSC2020**. You must send the submission form and all supporting evidence in ONE file. Multiple file attachments will not be accepted.

METRICS FOR WINNING STREAMER

Submissions are due to SAME National by **April 15, 2020**. The submission will require a coordinated effort between the Post and the Student Chapter. Student Chapters must accomplish the **2 Required Elements** and at least **2 of the 3 Desired Elements** to be a Distinguished Student Chapter.

The 2020 award will cover the period September 1, 2019–March 31, 2020. Distinguished Student Chapters will be recognized at the 2020JETC. Posts also can recognize the Student Chapters at a Post meeting.

CRITERIA

Required elements:

1. **(Required)**. Submit the names of the key Student Chapter Leaders who contributed to the success of the Student Chapter program during the period covered by the Streamer, including leadership positions held.
2. **(Required)**. The Post and Student Chapter held an event that promotes mentoring of students on engineering and related career options, including industry, federal civil service and military service. Include dates, names of mentors and number of students participating in program, and topics presented. *[Note: For Service Academies, requirement is for discussion of engineer assignments in a military career].*

Desired elements:

1. **(Desired)**. Student Chapter hosted or participated in a K-12 outreach activity that promotes careers in engineering. Include dates, description of activity and number of Students participating.
2. **(Desired)**. Student Chapter hosted or participated in a college level multi-disciplinary competition or event that includes multiple engineering disciplines or non-engineering disciplines involved in the engineering and construction enterprise. Include a description of competition or event and number of students participating.
3. **(Desired)**. Student Chapters host or participate in a community service project that involves engineering and/or support to Wounded Warriors or Veterans.
