

US Army, Vicksburg, MS STEM Engineering & Construction Camp

The Society of American Military Engineers (SAME) is accepting nominations for 40 qualified high school students interested in attending the SAME/Army Engineering and Construction Camp. Students will engage in hands-on engineering and construction activities under the mentorship and supervision of SAME professionals and other volunteers from the local engineering community. The program includes interaction with representatives of architecture/engineering firms, construction companies, Military leaders, and Corps of Engineers' employees.

Where: Vicksburg, MS

When: June 9-15, 2019

Basic Application Criteria:

- U.S. Citizen
- Starting Junior or Senior year in the Fall of 2019
- On a high school STEM track that will provide a basis for attending an accredited engineering college or university (i.e., taking appropriate STEM courses)
- Demonstrated leadership characteristics through participation in extra-curricular activities, sports, and/or community activities
- Physically fit
- Minimum GPA of 3.2 (not required but highly recommended)
- Have not previously attended an SAME Camp

Application Deadline: March 29, 2019 (11:59 PM EST)

Cost: The total registration fee for the camp is \$100.

To Apply: Visit www.same.org/STEMCAMPS, then follow the instructions in the camp application tab. This is a competitive process and students are selected by the sponsoring Posts.
