Memorandum for Record

SUBJECT: Validation of Attendance for Professional Development Hours

This memorandum provides the formal documentation of attendance and professional development hours earned for the joint presentation with the American Society of Safety Professionals on 25 April 2019 addressing Current Plans for the Pebble Mine Project. See attachment for a list of attendees.

I monitored the sign-in sheets to ensure that attendees were present for this presentation for which they are seeking professional development hours. By my signature I am confirming the attendees listed in the attached attendance sheets were present for the aforementioned presentation.

Current Plans for the Pebble Mine Project

1200 on 25 April 2019

1.0 professional development hour

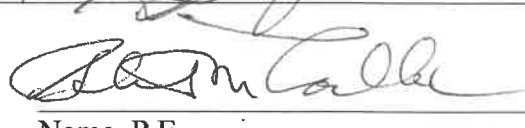

Mark Hamilton, VP of External Affairs at The Pebble Partnership, will be presenting on the Pebble Mine Project. The objective is to help Alaskans develop a more thorough and accurate understanding of the project. Pebble could play an important role in Alaska's future should we secure the required state and federal permits for the project. It could employ Alaskans and our future generations, and become an economic engine for southwest and southcentral Alaska.
