Memorandum for Record

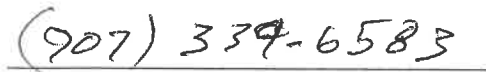

SUBJECT: Validation of Attendance for Professional Development Hours

This memorandum provides the formal documentation of attendance and professional development hours earned for the joint presentation with the American Society of Safety Professionals on 30 May 2019 addressing Best Practices for Interior Lighting. See attachment for a list of attendees.

I monitored the sign-in sheets to ensure that attendees were present for this presentation for which they are seeking professional development hours. By my signature I am confirming the attendees listed in the attached attendance sheets were present for the aforementioned presentation.

Best Practices for Interior Lighting

1200 on 30 May 2019

1.0 professional development hour

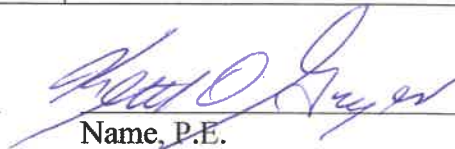

David Palmer, with the Energy & Sustainability Services division of Schneider Electric, will be presenting on current best practices for designing/specifying interior lighting. Presentation included lighting energy efficiency, and achieving the best "quality" of light for building occupants.
