Memorandum for Record

SUBJECT: Validation of Attendance for Professional Development Hours

This memorandum provides the formal documentation of attendance and professional development hours earned for the presentation on 25 July 2019, by the University of Alaska-Anchorage A&E, Robotics and Motorsports Clubs. See attachment for a list of attendees.

I monitored the sign-in sheets to ensure that attendees were present for this presentation for which they are seeking professional development hours. By my signature I am confirming the attendees listed in the attached attendance sheets were present for the aforementioned presentation.

~~Environmental Cleanup of Wake Island~~

25 July 2019 1200

1.0 professional development hour

The UAA Architecture & Engineering Club focuses on hands-on experience working with Habitat for Humanity and will be presenting on their trip to rebuild a hurricane-damaged school in the Virgin Islands last summer. The UAA Robotics will present on their first experience competing in the finals of the 2019 University Rover Challenge, an international collegiate robotics competition held at the Mars Desert Research Station in Utah. The UAA Seawolf Motorsports club team designs, builds, and fabricates a single seat all-terrain sport vehicle for the SAE International's Collegiate Design Series competition. They will be presenting their design for this year's competition.
