Memorandum for Record

SUBJECT: Validation of Attendance for Professional Development Hours

This memorandum provides the formal documentation of attendance and professional development hours earned for the presentation on 22 April 2021 via a Webinar. See attachment for a list of attendees.

This presentation was presented by Allan Lucht. Allan is a registered Professional Engineer in North Carolina. He is the recipient of numerous awards to include US Army Europe Engineer Plans and Services Executive of the Year (twice), US Army Contracting Command Europe Special Recognition Award, 2013 Alaska Engineer of the Year Finalist, and in 2014 the Society of American Military Engineers Newman Medal. Allan was invested into the SAME Academy of Fellows Class of 2019.

Allan D. Lucht is Chief, Engineering and Construction Branch, AFIMSC Det 4 at Ramstein AFB, Germany. The European Deterrence Initiative purpose is for the European Command and the Service components to deter Russian aggression in the European Theatre. One major program element includes constructing infrastructure necessary to sustain high volume combat operations and ability to rapidly establish operations by decreasing logistics and procurement demands. **Allan will provide an overview and challenges associated with this military construction program which spans 17 countries.**

I have a recorded version of the Webinar. A "roll call" was taken at the beginning to identify who was on the Webinar for this presentation for which they are seeking professional development hours. By my signature I am confirming the attendees listed in the attached attendance sheets were present for the aforementioned presentation.

Signed
