

Welcome to the 61st Annual Society
of American Military Engineers
Boston Post Spring Meeting and
Award Ceremony for Scholarship
Recipients

61st Annual **SAME** Spring Meeting

Lydia Ellen Tonani

School: Worcester Polytechnical Institute

Scholarship: Boston Post SAME Scholarship

Hometown: Holliston MA

Major: Mechanical Engineering w/ a minor in Environmental Engineering

Activities: Creative Writing, Playing musical instruments and reading books

Future plans: To pursue a career in The Mission to Mars Program at NASA

61st Annual **SAME** Spring Meeting

Regan Kelly

School: Northeastern University

Scholarship: Kleinfelder/SEA. Chan Ling, Bertram Berger/BSCE

Hometown: Groveland, MA

Major: Civil Engineering

Activities: Concrete Canoe, Hiking, Skiing

Future Plans: Pursue a career in Structural Engineering with a focus on bridge design

61st Annual **SAME** Spring Meeting

Lindsey Gordon

School: Norwich University

Scholarship: Metcalf and Eddy

Hometown: Wiscasset, ME

Major: Biology, minor Chemistry

Activities: Varsity Soccer, Tri-Beta Biology Honors Society and American Chemical Society

Future Plans: To be a Commissioned Officer in the US Air Force

61st Annual **SAME** Spring Meeting

Carolina DiCampo

School: Norwich University

Scholarship: Thomas O'Connor

Hometown: Lunenburg, MA

Major: General Engineering, concentration on Renewable Energy w/ Minor in Mathematics

Activities: Painting, Ballet, Dog Training

Future plans: Pursue a field in Renewable Energy Technologies

61st Annual **SAME** Spring Meeting

Olivia Kelliher

School: Norwich University

Scholarship: Boston Post SAME Scholarship

Hometown: Middleborough, MA

Major: Mechanical Engineering

Activities: Photography, Swimming, Water Polo

Future Plans: Start my own Engineering Firm

61st Annual **SAME** Spring Meeting

Jimmy Dorielan

School: University Massachusetts, Lowell

Scholarship: Watermark Scholarship

Hometown: Cambridge, MA

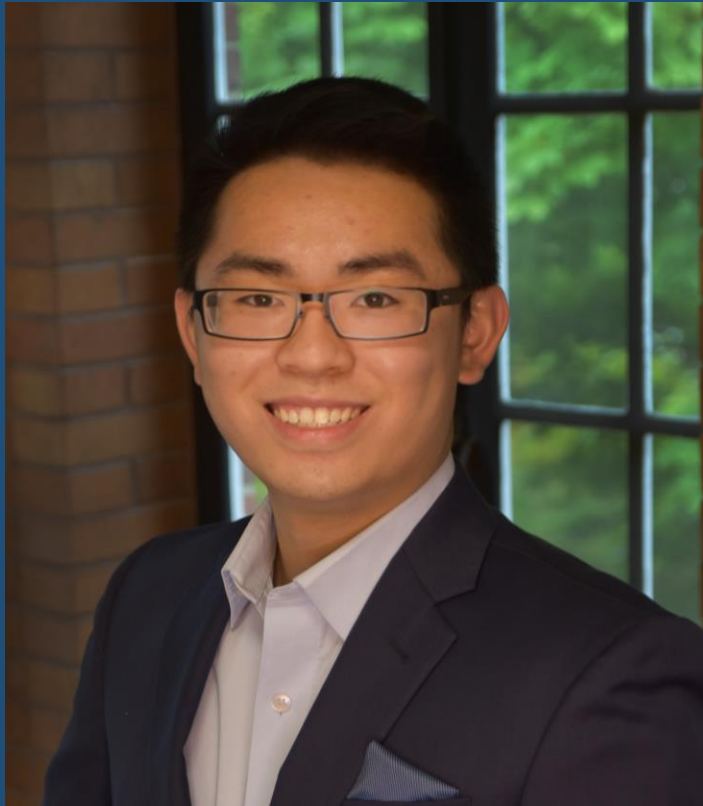

Major: Mechanical Engineering

Activities: Playing and Watching Sports, Music, Video Games

Future plans: Pursue a Master Degree in Engineering

61st Annual **SAME** Spring Meeting

Nicholas Wong

School: University of New Hampshire

Scholarship: Weston Solutions

Hometown: Quincy, MA

Major: Civil Engineering Minor Architectural Studies

Activities: Active in ASCE and United Asian Coalition

Future plans: Pursue a career in Civil Engineering or Architecture

61st Annual **SAME** Spring Meeting

Sian Davis

School: University of New Hampshire

Scholarship: Boston Post

Hometown: Irvine, CA

Major: Civil Engineering Minor Sustainable Energy

Activities: Baking, Water Polo

Future plans: Focus on the structural Integrity of our Infrastructure

61st Annual **SAME** Spring Meeting

Hersi Dorne

School: Wentworth Institute of Technology

Scholarship: Perini, Fortune, Tuskegee

Hometown: Malden, MA

Major: Civil Engineering

Activities: Exercising, Soccer, Drawing

Future Plans: Pursue an engineering career at a construction firm.

61st Annual **SAME** Spring Meeting

Benjamin Lacroix

School: University of Pittsburgh

Scholarship: Boston Post SAME Scholarship

Hometown: Littleton, MA

Major: Electrical Engineering w/ a minor in Physics

Activities: Camping, running and rebuilding Video Games ("Tennis for Two"- the original video game)

Future plans: Pursue a career in the Semi-Conductor/Circuit Technology field

61st Annual **SAME** Spring Meeting

Maddie Vaine

School: Merrimack College

Scholarship: S. Peter Volpe and Boston Post SAME Scholarship

Hometown: Claremont NH

Major: Civil Engineering and Environmental Studies and Sustainability with minor in Mathematics

Activities: Hiking, Kayaking, Painting

Future plans: Pursue a career in Environmental Remediation or Sustainable Architecture

61st Annual **SAME** Spring Meeting

Jake Howlett

School: Merrimack College

Scholarship: Boston Post

Hometown: Bridgewater MA

Major: Civil Engineering w/ Mathematics minor

Activities: Golfing, Kayaking, Fishing

Future Plans: Pursue a career in the Environmental Engineering field

61st Annual **SAME** Spring Meeting

Justin Applebee

School: Merrimack College

Scholarship: Boston Post

Hometown: Milford, MA

Major: Civil Engineering, minor in Mathematics

Activities: Golfing, Club Baseball, Mountain Biking

Future plans: Pursue a field in Structural Engineering

61st Annual **SAME** Spring Meeting

Thank you to our generous donors,
sponsors and endowed scholarships
which serve as a core strength to our
Program. Congratulations to our
2021 Scholarship Recipients!

60th Annual **SAME** Spring Meeting
