

Job Description

Party Chief - Surveying

Overview

Hayden Consultants, Inc. is a civil engineering consulting firm specializing in public infrastructure design services. As a result of our success in the industry, we are expanding our Dallas office. We are currently seeking an experienced Survey Party Chief.

The diversity of our projects offers the candidate a unique opportunity to gain experience in many of the specialized branches of civil engineering. We offer our employees challenging career opportunities as well as an environment for continuous growth.

Requirements

- Minimum of five (5) years' experience as a Party Chief.
- Experience with Easement/Right-of-Way surveys, Platting, boundary surveys, topographic surveys for TxDOT and Cities.
- Familiarity with Leica GPS and Robots as well as AutoCAD is a plus

Principal Duties and Responsibilities

- Working under the guidance and mentoring of a licensed Survey Manager.
- Lead field crew(s) on day to day operations, coordinate daily with Survey Manager.
- Ensure field crew is properly equipped with personal protection equipment and following company safety procedures.
- Adhere to local and state survey regulations
- Experience performing survey related research is desired.
- Valid driver's license and a good driving record required.
- Candidate is willing to travel statewide as needed.

Compensation/Benefits

Hayden Consultants offers a competitive salary and a comprehensive benefits package that includes:

- Employer Sponsored Medical Insurance
- Nine (9) Paid Holidays per year
- Three (3) Weeks Paid Time Off per year
- Business-Casual Work Environment
- 401k with Employer Match
- Profit Sharing Plan
