### About the Committee:

Industry Day is a one-of-a-kind annual event, created as a partnership between The University of Missouri-Kansas City and the SAME GKC Post. The event serves as both a networking and educational event, offering industry professionals and students the opportunity to learn about working with the Army Corps of Engineers.

Highlights of the two-day event include:

- Networking opportunities and booths
- Educational sessions and a keynote speaker
- Exhibition Hall
- Formal evening celebration
- Opportunity for one-on-one meetings with the Kansas City Army Corps of Engineers

Event planning duties can include:

- Creating agenda and run of show
- Collaborating with Communications Committee to share information with GKC Post
- Contacting and securing presenters and sponsors
- Securing venues, rental equipment and caterers
- Coordinating with Programs Committee to manage event registration
- Collaborating with UMKC as needed

### How you can help:

The Industry Day Committee is seeking help from members to help plan and execute various parts of this event. If you are interested in learning more about getting involved, please contact [Melissa Kelley](mailto:Melissa.Kelley@hei-eng.com).
