FEBRUARY EVENT RECAP: MILITARY CONSTRUCTION PROGRAM UPDATES

CAPT Timothy Liberatore, PE, Commanding Officer for NAVFAC Marianas, and CAPT Steven Stasick, PE Commanding Officer for Officer In Charge of Construction (OICC) Marine Corps Marianas provided updates on their construction programs at our virtual Joint Membership Meeting.

The Joint Meeting was held in conjunction with Engineers, Architects, Land Surveyors Week and included members from 10 other professional organizations in Guam's A-E-C Industry.

For their full presentations, see the SAME Guam Post website.

CAPT Liberatore **CAPT Stasick**

P052 National Guard Readiness Center	NBG	\$25M-\$100M	FY22 Q4

Challenges & Opportunities:

- COVID-19
- Construction Growth // H-2B Labor // Bid Climate
- FSC/BOS Contract Mobilization // Growth
- Off-Guam Programs & Posture Planning (Across Oceania)
- MEC Program Maturity // Authorities // Process Streamlining
- Industry Partnership // Lessons Learned
- JRM Realignment (NAVFAC-USAF Transfer)
- Cyber Security
- NAVFAC-Contractor-SEABEE "Partnered" Projects
- Innovation-3D Construction Printing//UAS//Bubble-Deck
- Early Mobilization *** Updated Division 01 Specs
- Common Components for Critical Systems
