MAY GENERAL MEMBERSHIP MEETING RECAP: DPW UPCOMING CONSTRUCTION PROJECTS

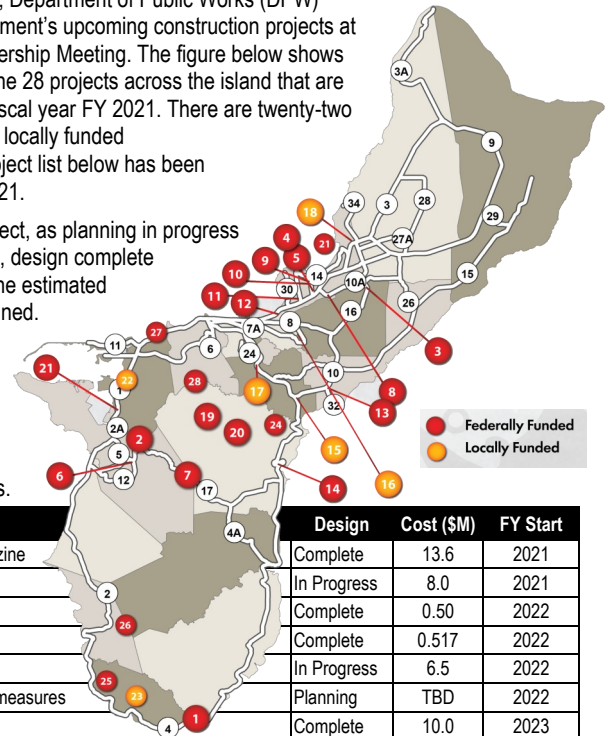

Vincent Arriola, Director, Department of Public Works (DPW) presented on the department's upcoming construction projects at our May General Membership Meeting. The figure below shows the general location of the 28 projects across the island that are anticipated to begin in fiscal year FY 2021. There are twenty-two federally funded and six locally funded in this category. The project list below has been updated as of March 2021.

The table below lists the status of each Project, as planning in progress (Planning), design in progress (In Progress), design complete (Complete), and to be determined (TBD). The estimated construction cost is also provided, if determined.

The projects in the table below have been sorted to show the estimated start of construction fiscal year (FY).

The table below can be used for planning efforts for both upcoming design and construction requests for proposals and bids.
