HOST SUSTAINING MEMBER INFORMATION

Thank you to Freese & Nichols, Inc. for hosting last month's meeting.

This month's meeting will be a joint luncheon with the Gulf Coast Chapter of the Western Dredging Association (WEDA).

We still have some luncheon meetings available for Sustaining Members to host. Hosting our monthly meetings is a great opportunity to put your firm in the limelight and showcase your firm's experience and abilities. If your firm is interested in hosting one of these meetings, please contact Charlie Settoon at (504) 889-0182.

We would like to thank all the Sustaining Member Firms who have hosted a monthly meeting in the past. If it has been a while since your firm hosted a meeting, you are welcome to host another meeting.
