MONTHLY NEWSLETTER

NOVEMBER 2019

HOST SUSTAINING MEMBER INFORMATION

We still have some luncheon meetings available for Sustaining Members to host. Hosting our monthly meetings is a great opportunity to put your firm in the limelight and showcase your firm's experience and abilities. If your firm is interested in hosting one of these meetings, please contact Charlie Settoon at (504) 889-0182.

We would like to thank all the Sustaining Member Firms who have hosted a monthly meeting in the past. If it has been a while since your firm hosted a meeting, you are welcome to host another meeting. Let's continue to show our support for the Louisiana Post through this great professional opportunity.

SPEAKER'S BIOGRAPHY

Robert “Bob” Turner
General Superintendent of Operations
New Orleans Sewerage & Water Board

Robert Turner has been instrumental in guiding the recovery of New Orleans' drainage system after the August 2017 flood. His work as a member of that interim emergency management team made him the ideal choice to the Sewerage and Water Board's newest General Superintendent of Operations. He accepted the position in January 2019.

A registered professional civil engineer, Mr. Turner has more than 35 years of experience managing public works projects. He most recently served as the director of engineering for the Southeast Louisiana Flood Protection Authority East, a leading agency dedicated to preparing and protecting the east bank regions of Jefferson, Orleans and St. Bernard parishes from tropical storms. He also served as executive director of the Lake Borgne Basin Levee District and as the director of public works for St. Bernard Parish.

He is a member of the American Society of Civil Engineers and a graduate of Louisiana Tech University.
