Procurement Technical Assistance Center (PTAC)

• PTAC assists Washington State businesses in selling to federal, state and local governments.
  ▪ Finding opportunities to bid
  ▪ Interpreting solicitations and regulations
  ▪ Certifications & registrations
  ▪ Marketing to government buyers

• We provide these services through:
  ▪ Workshops
  ▪ One-on-one counseling sessions
  ▪ Matchmaking events
  ▪ Optional Bid Match service (fee-for service)

Funded, in part, through a cooperative agreement with the Department of Defense (DOD).
About PTAC

- Congress established the Procurement Technical Assistance Cooperative Agreement Program in 1985 as part of the Department of Defense (DoD) Authorization Act.

- PTAC is designed to assist businesses (focusing on small businesses) with federal, state and local government contracting.

- The program is funded by the federal government through the United States Department of Defense’s (DoD) and locally by Thurston EDC, Green River College, Port of Seattle, and many others.

- Annual Impacts:
  - 1,400 Clients Served
  - 4,300 Hours of Advising
  - $300m Contracts Won
PTACs Are Now Also “APEX Accelerators”

• PTAC’s are funded, in part, through the US Dept of Defense
• Transition from Defense Logistics Agency to DoD Office of Small Business Programs
• All the same services will continue
• New mission: *Serve as the axis for existing and new business to strengthen the defense industrial base by accelerating innovation, fostering ingenuity, and establishing resilient and diverse supply chains.*
