Board notes for Student Mentoring
June 3, 2008

1. We did get some press with the World Herald, May 12th and again May 24th. The article on May 24th was about the Central High Project, *Nebiowa Stadium*. They presented the project to the Mayor Fahey and it was also covered by several TV stations. Hope to get DVD to put on web

2. Survey returns were: Room Monitors (3 out of 8), Judges (6 out of 20), Mentors (27 out of 59), and Teachers (15 out of 29). Contacted all Steering committee members (12) from last year and they all have agreed to serve again plus new member from PKI. Will meet later this month.
3. Did not get Thank You letters sent as yet. All Team Plaques were delivered last week with the help of Joel Peterson, Anne's son. The teachers I talked to were very impressed by the new design
