EDUCATION AND MENTORING PROGRAM:

The Society of American Military Engineers (SAME) is a non-profit professional engineering association headquartered in Alexandria, Virginia, with 105 Chapters (called Posts) worldwide. Its mission is to bring together professional engineers and those in engineering-related fields; to improve

and increase the engineering capabilities of the nation; and to exchange and advance the knowledge of engineering technologies, applications, and practices. Each year, the Phoenix Post of SAME provides college scholarships to deserving students who are pursuing an education in Science, Technology, Engineering, or Math (STEM).*
