

## **K-12 STEM** **(Science, Technology, Engineering, and Math)** **Community of Interest**

### **Leadership Committee Profile: Chair-elect**

**Joshua A. Graham, P.E., PMP**  
**Project Manager, HDR**  
[joshua.graham@hdrinc.com](mailto:joshua.graham@hdrinc.com)

Joshua Graham has been a Civil Engineer for the Air Force for 9 years. He started out as project manager and worked his way up to the Air Education & Training Command Facilities Investment planner for over 7000 facilities worth \$24B. He has since then, left the Air Force to pursue a career with HDR

Environmental Operation & Construction Inc. He graduated from Youngstown State University with a Bachelor's Degree in Civil Engineering in 2010. He also obtained his Master of Business Administration from Webster University in 2013.

Joshua has been very involved with SAME at the San Antonio Post since 2010. He has served in various roles to include; Engineering and Construction Camp Coordinator, College Scholarship Committee since 2013, established and mentored the UTSA Student chapter in 2018, and recently elected the Director of Professional Development. He is also currently serving on the National team as the STEM Chair-elect. He also was the recipient of the Tudor Medal in 2019.

#### **About the K-12 STEM Community of Interest**

The mission of the K-12 STEM Outreach Committee is to support our diverse Posts by providing information and guidance on STEM education and outreach activities that allow participants to be exposed to concepts, competencies, and careers in engineering from elementary school to middle school to high school.

The K-12 STEM Outreach Committee work feeds into the Society's college outreach efforts to provide a continuous level of support along student's academic trajectory.

Join the K-12 STEM Community of Interest by logging into your [member account](#) and scrolling down the dashboard to the Communities of Interest section.
